

MESOT Fellowship Program

Dear colleagues

MESOT (Middle East Society for Organ Transplantation) is pleased to announce the establishment of the MESOT Fellowship Program of 1-2 years in duration for physicians and surgeons from the Middle East region willing to acquire some particular skills related to various aspects of organ transplantation

The objective of this program is to promote and advance organ transplantation in under-served areas of this region of the world by helping them to establish local transplant programs or to improve an existing program

A limited number of grants are available for the time being

Application deadline is the 30th of June of each year

Any individual interested in this training program should direct his or her inquiries to:
